### Ingredients:
- 500g beef mince
- 1 small red onion (grated)
- 1 small apple (grated)

2. Cut the onion in half. Remove the skin and carefully grate each half.
3. Grate the apple, turning it as you go, until only the core is left.
4. Add the grated onion, apple, breadcrumbs, herbs, and sauces to the meat.
5. Mix altogether with your hands
6. Crack the egg into a bowl and beat with a fork. Add to the meat until all combined.
7. Make a ball of mixture the size of a golf ball and flatten into a burger shape. Set aside on a tray. Repeat with the rest of the mixture. Making at least 16 burgers.
8. Place the oil in the frypan. Cook for about 6 minutes, turning every minute or so to prevent burning.
9. Set aside on a tray and finish cooking all burgers.
